**Summary** | The PBBA/WCBA is hosting, “Ensuring a Security Church Campus.” This webinar will be on Thursday, February 24<sup>th</sup> from 6-7pm (via Zoom). During this training, your church will be exposed to best practices on setting up a security team, discovering various security protocols, and being exposed to various security scenarios so that your church can form the best response.

**How to Attend** | This is a free online webinar, so you can attend from the comfort of your home, or with others from your church, at a member’s home or at your church campus (good for post-training conversations). To register go to the PBBA Events Page ([pbbassociation.org/events/](http://pbbassociation.org/events/)) or by clicking [here](#). Those who register will receive a calendar reminder with a zoom link to the conference, as well conference material.

**Afterwards** | All who attend the webinar and submit their mailing address will be sent a couple gifts after the webinar. Further, should your church have specific questions or would like a customized conversation on your church’s security ministry, contact the WCBA and we will come to your church for up a follow-up meeting.

If you have any questions, contact Tammy at the WCBA office, 850-892-2849 or email us at [wbaptistassoc@panhandle.rr.com](mailto:wbaptistassoc@panhandle.rr.com).
